JINR Newsletter #12, 1 April 2026

Dear colleagues and friends,

Alongside events marking the 70th anniversary of the Joint Institute for Nuclear Research, Dubna, our shared home on the banks of the Volga River, hosted several important meetings aimed at strengthening ties with the Member States and Associate Members – Kazakhstan, Serbia, and Belarus.

The latest issue of the JINR Newsletter also features an article on the popular science lecture series by the JINR University Centre, a call for applications for the 26th International Baikal School, and a contest by the JINR Telegram channel.
