

JINR Newsletter #32, 19 August 2026

Dear colleagues and friends,

A delegation of participants of the Lise Meitner Programme of the International Atomic Energy Agency visited Dubna. The women – nuclear industry experts – toured the Institute's scientific infrastructure and learned about its research areas. The visit highlighted JINR as a welcoming and secure environment for professional development.

Read about a new book on the history of superheavy element synthesis at JINR, the celebration of the 60th MLIT anniversary, language courses available for JINR employees, and much more in the latest JINR Newsletter.
